NOTICE OF PROPOSED RULE MAKING

Adopted: June 2, 2000

Released: June 5, 2000

Comment Date: July 27, 2000

Reply Comment Date: August 11, 2000

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by WCTV Licensee Corporation ("WCTV"), licensee of station WCTV-TV, NTSC Channel 6, Thomasville, Georgia.¹ WCTV requests the substitution of DTV Channel 46 for its assigned DTV Channel 52.

2. In support of its petition, WCTV states that adoption of its proposal would enable the Commission to mitigate the burdens of the digital transition for DTV station WCTV-DT. Specifically, WCTV notes, if the Commission adopts its proposal, which would substitute a core spectrum digital allotment for WCTV-DT for the current non-core allotment, WCTV would need to design and construct only one set of digital transmission facilities. While WCTV could revert to operation on its analog Channel 6 following the transition, it notes the potential for interference from nearby FM stations makes this option problematic.

3. We believe petitioner's proposal warrants consideration. DTV Channel 46 can be substituted for DTV Channel 52 at Thomasville, Georgia, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates 30-40-13 N and

¹ Although petitioner's request indicates that the original copy of his proposal was signed, petitioner failed to include an affidavit verifying that the statements contained in his petition were accurate to the best of his knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel must be signed and verified by the party and his/her address stated. In absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission's Rules concerning rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also Amendment of Sections 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes, 5 FCC Rcd 3910, n.41 (1990). Petitioner is requested to rectify this omission in his comments.

83-56-26 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel 46 for DTV Channel 52 for station at Thomasville with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
GA Thomasville	46	1000	619

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Thomasville, Georgia	52	46

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before July 27, 2000, and reply comments on or before August 11, 2000, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Robert A. Beizer, Secretary
WCTV Licensee Corporation
1201 New York Avenue, NW
Suite 1000
Washington, DC 20005-3917
(Petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached.
